WHITE ELEPHANTS TO BOWL TONIGHT IN A.C.B.A. TOURNEY

Crack Philadelphia Tenpin Team Expected to Stand Fine Chance for Honor.

IRAGOIS PINMEN READY Will Tackle Crack Visitors on Alley 12 Tonight at Camp Emery.

Tonight's Rolling. TENPIN TEAMS, 8:15 P. M. Alley 1, Wyndham, Philadelphia; alley 2, Manufacturers' Club, Philadelphia; alley 4, Maneto, Philadelphia; alley 5, Saginaw, New York; alley 6, Bohemian, New York; alley 7, Bohemian, New York; alley 8, Majestic, Philadelphia; alley 9, Windham, Philadelphia; alley 10, Menin C. C., Philadelphia; alley 11, White Elephants, Philadelphia; alley 12, Iroquois.

Tonight is to be "Philadelphia Night" in the A. C. B. A. tourney, and incidentally one of the most interesting matches of the competitors to date is scheduled for lovers of the tenpin game. The noted White Elephants, Philadelphia's crack quint, will roll on alleys 11 and 12 in competition with the champion bigpin team of Washington, the Iroquois five of the City Tenpin League.

The noted White Elephants, Philadelphia's crack quint, will roll on alleys 11 and 12 in competition with the champion bigpin team of Washington, the Iroquois five of the City Tenpin League. Fur and feathers should fly when these two famous aggregations clash. The Iroquois is the former Jolly Fat Men's Club team, which brought bowling into this home to Washington from every tournament for ten years. Harry Krauss was a member of the original quint, and rose to big-pin eminence while playing the tournaments with this celebrated crew.

With the exception of Krauss, who succeeds this year to John the Royals, the old original (beware of imitations) line-up will grapple with the Quaker team tonight. Frank McManamy will be seen in Krauss' old position, the team toting the mark as follows: H. T. Waters, lead-off; I. C. Fritz, McManamy, A. W. Allison, who is leading the league, and J. E. Field, anchor.

The Iroquois is generally considered to be the last local team to have a chance for top position in the big-pin events. Rolling in the ranks of the White Elephants will be W. J. Knox, said to be the only man ever known to roll a "perfect 300" game in national championship competition. Hanging along the alleys, six other Quaker City quints will be seen in action. They are Wyndham, Manufacturers' Club, with E. C. Johnson, the well-known motor driver, in the line-up; Maneto, Majestic, Wyndham, Colts, and Menin C. C. Alleys 6, 7, and 8, in the center of the hall, will be occupied by three teams from Gotham, the Saginaw quint, the Bohemians, and the Childs Restaurant team, with ex-Senator Childs, an enthusiastic bowling devotee, rolling in person.

Rolling is to be put under way at 2 o'clock today, when six tenpin twosomes from Manhattan take to the pinways with five local big pin doubles. The New Yorkers are the members of the two Rosedale teams, which rolled into third place in the team events last night with a set of 1,517. They are exceptionally strong bowlers, with many records of national achievement behind them. Among these is Billie Heins, who last year won the individual championship in the A. C. B. A. tourney in Boston, with a count of 676, and also romped away with first honors in "all events." Frank Krauss, captain of the Rosedale No. 1 team, was returned individual champion of the National Bowling Association in the New York championship matches last year, with a score of 658.

Any one of these Gotham twosomes may top the von Lossberg-Sweiger mark of 1,286, hung up Tuesday, when starting at 3:30 o'clock, the twelve Rosedales will roll off their singles, and again high marks may be expected to topple.

For the 4 o'clock session an addition has been made to the schedule. Besides the four duckpin doubles, and two singles (all local) on alleys 1 to 6, the following local rollers will perform in the singles, duckpin, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20,
